# Glacier by James Vincent McMorrow

I wanna go south of the river, face it alone in the heart of the winter.

Someone hears a lie, somewhere underneath.  Caught between the reeling, mirroring the beat.  Ino longer fit, and in years we fall.  Silence is so cold, and there's no sense at all.  And I was someone else,  was (5) good.  Barrelling at the old.  There along the door.	Someone hears a lie, somewhere underneath,
wanna go south of the river, glacier slow in the heart of the winter.  wanna go south of the river, face it alone in the heart of the winter.  And this we'll celebrate, this we'll celebrate  There and on the stage, this is a mistake.  Damn me off the long.  Down the earth and moon,  Damp and clawing kneeling, rustling into change.  In a (2)	Caught between the reeling, mirroring the beat.
