

Fill in the gaps

Now excuse me if I (1) rude	You got me so, so wrapped up
But I love the way that you move	There's just something about you
And I see me all over you now	You wrapped up
Baby (2) I look in your eyes	You got me so, so wrapped up
There's no way that I can disguise	There's just something (8) you
All these crazy thoughts in my mind now	[Travie McCoy]
There's just something about you	My princess so intelligent
You got the lock	Make me wanna reapply to school for the hell of it
I got the key	I'll be the student, you be the teacher
You know the rest	Ms. Sophisticated, such a pleasure to meet ya
You know just where I wanna be	Yeah, but here's the only (9) since we met
Don't (3) stop (4) me	You kinda turned my world upside down
I kinda like it when you bring me to my knees	And I don't really mind spiderman kissing you
You got me wrapped up	As long as you're plagnning on sticking around
Around your finger	The happiest boy in the world award goes to me
I'd do anything for your love now	Not a chance nobody came close to 'em
And when you touch it, the feeling lingers	I kinda knew you was troublesome
Takes me up so I high I can't come down	You got me wrapped around your finger (10)
You got me wrapped up baby	bubblegum
I don't ever wanna (5) up	[Olly Murs]
All this spell you got me under	Everything that you do
I see fireworks when we touch now	Every way that you move
There's just something about you	There's just something about you
Your body fits on mine like a glove	There's just something about you
Let them say whatever they want	Everything that you do
It's too late cause you're in my blood now	Every way that you move
You got the lock	There's just something about you
I got the key	Girl you got me wrapped up
You know the rest	Around your finger
You know just where I wanna be	I'd do anything for your love now
Don't ever stop controlling me	And when you touch it, the feeling lingers
I kinda (6) it when you bring me to my knees	Takes me up so I high I can't come down
You got me wrapped up	Girl, You got me wrapped up
Around your finger	You got me so, so wrapped up
I'd do anything for (7) love now	There's just something about you
And when you touch it, the feeling lingers	You wrapped up
Takes me up so I high I can't come down	You got me so, so wrapped up
Girl, You got me wrapped up	There's just something about you
