Nothing Really Matters by Madonna

When I was very young	Nothing really matters
Nothing really (1) to me	Love is all we need
But (2) (3) happy	Everything I give you
I was the (4) one	All (10) to me
Now that I am grown	Nothing (12) matters
Everything's changed	Love is all we need
I'll (5) be the same	Everything I (13) you
Because of you	All (14) (15) to me
Nothing (6) matters	Nothing (16) the past away
Love is all we need	Like the future
Everything I give you	Nothing (17) the (18) go
All comes back to me	Like the light
Looking at my life	You're (19) from the storm
It's very (7) to me	Give me comfort in (20) arms
I (8) so selfishly	Nothing (21) matters
I was the only one	Love is all we need
I realize	Everything I (22) you
That nobody wins	All comes back to me
Something is ending	
And (9) begins
