Fill in the gaps

Nothing Really Matters by Madonna

When I was (1)	young	Nothing really matters
Nothing (2)	mattered to me	Love is all we need
But making myself happy		Everything I give you
I was the only one		All comes back to me
Now (3) I am grown		Nothing really matters
Everything's changed		Love is all we need
I'll never be the same		Everything I give you
Because of you		All comes back to me
Nothing (4) matters		Nothing takes the past away
Love is all we need		Like the future
Everything I give you		Nothing (7) the darkness go
All (5)	back to me	Like the light
Looking at my life		You're shelter from the storm
It's very clear to me		Give me comfort in your arms
I lived so selfishly		Nothing (8) matters
I was the only one		Love is all we need
I realize		Everything I give you
That nobody wins		All comes (9) to me
Something is ending
