

## Fill in the gaps

You're my (1) breath,	And we gave it time
you're a breath of (2) air to me	All eyes are on the clock
I am empty	Time takes too much time
So tell me you (3) for me	Please (10) the waiting stop
You're the first thing	And the atmosphere is charged
And the last thing on my mind	In you I trust
In your arms I feel	And I (11) no fear as I
Sunshine	Do as I must
Give up (4) unto the moment	Give up (12) (13) the moment
The time is now	The time is now
Give up yourself unto the moment	Give up yourself unto the moment
Let's make (5) moment last	Let's make this (14) last
You may find yourself	Give up yourself (15) the moment
Out on a (6) for me	The (16) is now
Could you expect it as	Give up (17) (18) the moment
A part of your destiny?	Let's make this moment last
I give all I have	Tempted by fate
But it's not enough	And I won't hesitate
And my patience is shot	The time is now
So I'm calling your bluff	Let's (19) this (20) last
Give up yourself (7) the moment	And the (21) is young
The (8) is now	The time is now
Give up yourself unto the moment	Let's make (22) moment last
Let's (9) this moment last	Give up yourself (23) the moment
Give up yourself unto the moment	The time is now
The time is now	Give up yourself unto the moment
Give up yourself unto the moment	Let's make (24) moment, (25)
Let's make this moment last
