

## Fill in the gaps

You're my last breath,	And we gave it time
you're a (1) of fresh air to me	All eyes are on the clock
I am empty	Time takes too much time
So tell me you care for me	Please make the waiting stop
You're the first thing	And the atmosphere is charged
And the last thing on my mind	In you I trust
In your arms I feel	And I feel no fear as I
Sunshine	Do as I must
Give up yourself unto the moment	Give up (7) (8) the moment
The time is now	The time is now
Give up yourself (2) the moment	Give up yourself unto the moment
Let's make this moment last	Let's make this (9) last
You may find yourself	Give up yourself unto the moment
Out on a limb for me	The time is now
Could you expect it as	Give up yourself unto the moment
A part of your destiny?	Let's (10) this moment last
I give all I have	Tempted by fate
But it's not enough	And I won't hesitate
And my (3) is shot	The time is now
So I'm calling your bluff	Let's make this moment last
Give up yourself unto the moment	And the night is young
The time is now	The time is now
Give up yourself unto the moment	Let's make this moment last
Let's (4) this (5) last	Give up yourself unto the moment
Give up yourself unto the moment	The time is now
The time is now	Give up yourself unto the moment
Give up yourself (6) the moment	Let's make this moment, last
Let's make this moment last
