

She Makes My Day by Robert Palmer

I feel so lucky loving her
Tell me what else is magic for
She thinks it's (1)_____ left unsaid
She makes her mind up in a glance
It really made a difference
I seem to be unconditionally hers
She's like a new girl everyday
And all the rest don't bother me
I'm far too busy loving her
I'll never be (2)_____ now I (3)_____ her
She fills my heart with joy, she makes my day
She just has to smile to blow my cares away
She just has to touch my hand, to make me stay.
She's all good loving at once
She's all good loving at once
She's all good loving at once
She's all good loving at once
Our love was unintentional
She says we're not responsible
She thinks (4)_____ her chin up
She always makes uncommon sense
Always knows just what to say
She always takes me unawares
In less time than it takes to fall,
I'm (5)_____ and there you are
We never fought it anyway

She's all good loving at once
