It's been a long day without you, my friend

Fill in the gaps

And that bond will never be broken

The love will never get lost (and the love will never get lost)

See You Again by Wiz Khalifa Ft Charlie Puth

And I'll tell you all about it when I see you again	And when brotherhood come first
We've come a long way from where we began	Then the line will never be crossed
Oh, I'll tell you all about it when I see you again	Established it on our own
When I see you again	When that line had to be drawn
(Hey)	And that line is what we reach
Damn, who knew?	So remember me when I'm gone (remember me when I'm
All the planes we flew	gone)
Good things we've been through	How can we not talk about family when family's all that we
That I'll be standing right here talking to you	got?
Bout another path	Everything I went through you were standing there by my side
I know we loved to hit the road and laugh	And now you gon' be with me for the last ride
But something told me that it wouldn't last	So let the light guide your way, yeah
Had to switch up	Hold every memory as you go
Look at things different, see the bigger picture	And every road you take, will (6) lead you
Those were the days	home, ooh ooo oh
Hard work forever pays	It's (7) a long day (8) you, my
Now I see you win the better place (see you win the better	friend
place)	And I'll tell you all about it when I see you again
Uh	We've come a long way from where we began
How can we not talk about family when family's all that we	Oh, I'll tell you all (9) it when I see you again
got?	When I see you again
Everything I (1) through you were standing there	(Aah oh)
by my side	{Uh}
And now you gon' be with me for the last ride	(Aah oh)
It's (2) a long day without you, my friend	{Yeah}
And I'll tell you all about it when I see you (3) (I	(Wooooh-oh-oh-oh-oh)
see you again)	{Ya, ya}
We've come a long way (yeah, we came a long way) from	When I see you again
where we began (you know we started)	{Uh}
Oh, I'll (4) you all about it when I'll see you again	See you again
(let me tell you)	(Wooooh-oh-oh-oh-oh)
When I'll see you again	{Yeah, yeah, uha}
(Aah oh, aah oh	When I see you again
Wooooh-oh-oh-oh-oh)	
First you both go out (5) way	
And the vibe is feeling strong	
And what's small turn to a friendship	
A friendship turn to a bond
