Hold My Hand by Jess Glynne

Oh, won't you hold my hand?

Fill in the gaps

Standing in a crowded room	Because I don't want to walk on my own anymore
And I can't see your face	Won't you understand?
Put your arms around me	Because I don't want to walk alone
Tell me everything's ok	I'm ready for this
In my mind I'm (1) round	There's no denying
A cold and (2) space	I'm ready for this
Just put your (3) around me	You stop me falling
Tell me everything's ok	I'm ready for this
Break my (4) but you won't see me fall	I need you all in
The rising tide will rise against them all	I'm ready for this
Darling, hold my hand	So darling, hold my hand
Oh, won't you hold my hand?	Don't want to know
Because I don't (5) to walk on my own anymore	That feeling when I'm all alone
Won't you understand?	So please don't make me wait
Because I don't want to walk alone	Because I don't want to break
I'm ready for this	And I don't want to fall
There's no denying	When you're next to me
I'm ready for this	Can tell I'm not afraid to be
You stop me falling	That you don't make me wait
I'm ready for this	And never let me break
I need you all in	You never let me fall
I'm ready for this	Darling, hold my hand
So darling, hold my hand	Oh, won't you hold my hand?
Soul is like a melting pot	Because I don't want to walk on my own anymore
When you're not next to me	Won't you understand?
Tell me that you've got me	Because I don't want to walk alone
And you're never going to leave	I'm (7) for this
Trying to find a moment	There's no denying
Where I can find release	I'm ready for this
Please tell me that you've got me	You stop me falling
And you're never going to leave	I'm ready for this
Break my (6) but you won't see me fall	I (8) you all in
The rising tide will rise against them all	I'm ready for this
Darling, hold my hand	So darling, hold my hand

- 1. running
