Style by Taylor Swift

Midnight, you come and pick me up, no headlights

A long drive, could end in burning flames or paradise

Fade into view, oh

It's been a while since I have even (1)_____ from you

(heard from you)

I should just tell you to leave cause I

Know exactly where it leads but I

Watch it go round and round each time

You got that James Dean daydream look in your eye

And I got that red lip classic thing that you like

And when we go (2)_____ down we

(3)_____ (4)_____ (5)_____ time

Cause we never go out of style, we never go out of style

You got that long hair slicked back, (6)_____ t-shirt

And I got that good girl faith and a tight little skirt

And (7)_____ we go crashing down, we come back every time

Cause we never go out of style, we never go out of style

So it goes, he can't keep his (8)_____ eyes on the road

Takes me home, lights are off he's taking off his coat

I say, "I've heard that you've been out and about

With some other girl, some other girl"

He says "What you've heard is true but I

Can't stop thinking about you and I"

I said, "I've been there too a few times"

Cause you got that James Dean daydream look in your eye

And I got that red lip classic thing that you like

And when we go crashing down we come back every time

Cause we never go out of style, we never go out of style

You got that long hair slicked back, white t-shirt

And I got that good girl faith and a tight little skirt

And when we go crashing down, we come back every time

Cause we never go out of style, we never go out of style

Take me home

Just take me home

Just take me home

You got that James Dean daydream look in your eye

And I got that red lip classic thing (9)_____ you like

And when we go crashing down we come back every time

Cause we never go out of style, we never go out of style
