Midnight, you (1) and pick me up, no headlights	Can't stop thinking (13) you and I"
A long drive, could end in burning flames or paradise	I said, "I've been there too a few times"
Fade into view, oh	Cause you got that James Dean daydream look in your eye
It's been a while since I have even heard from you (heard	And I got (14) red lip classic (15) tha
(2) you)	you like
I should just tell you to leave cause I	And when we go crashing (16) we come back
Know exactly (3) it leads but I	every time
Watch it go round and round each time	Cause we (17) go out of style, we never go out
You got that (4) Dean (5)	of style
look in (6) eye	You got that long (18) slicked back, white t-shirt
And I got that red lip classic thing that you like	And I got that good girl faith and a tight little skirt
And (7) we go crashing down we come back every	And when we go crashing down, we come back
time	(19) time
Cause we never go out of style, we never go out of style	Cause we never go out of style, we never go out of style
You got that long hair slicked back, white t-shirt	Take me home
And I got that good girl (8) and a tight little skirt	Just take me home
And when we go (9) down, we	Just take me home
(10) back every time	You got (20) James Dean daydream
Cause we never go out of style, we never go out of style	(21) in your eye
So it goes, he can't keep his wild eyes on the road	And I got that red lip classic (22) (23)
Takes me home, lights are off he's taking off his coat	you like
I say, "I've heard that you've (11) out and about	And (24) we go crashing down we (25)
With (12) other girl, some other girl"	back every time
He says "What you've heard is true but I	Cause we never go out of style, we never go out of style
