I am so high, I can hear heaven	Now that the (6) isn't ending
I am so high, I can (1) heaven	It's love that I'm sending to you
Whoa, but heavenno, (2) don't hear me	It isn't the (7) of a hero
And they say	And that's why I fear it won't do
That a hero could save us	And they say
I'm not gonna stand (3) and wait	That a hero could save us
I'll hold on to the wings of the eagles	I'm not gonna stand here and wait
Watch as we all fly away	I'll (8) on to the (9) of the eagles
Someone told me	Watch as we all fly away
Love would all save us	And they're watching us
But, how can that be	They're watching us
Look what love gave us	As we all fly away
A world full of killing	And they're watching us
And blood spilling	They're watching us
That world never came	As we all fly away
And they say	And they're watching us
That a (4) could save us	They're watching us
I'm not gonna stand here and wait	As we all fly away
I'll (5) on to the wings of the eagles	
Watch as we all fly away
