### Shut Up And Dance by Walk The Moon

Oh, don't you dare look back	Just keep your eyes on me
Just keep your eyes on me	I said "You're holding back"
I said "You're holding back"	She said "Shut up and dance with me"
She said "Shut up and dance with me"	This woman is my destiny
This woman is my destiny	She (7) "Oh, shut up and dance with me"
She said "Oh, shut up and dance with me"	Oh, come on girl!
We were victims of the night	Deep in her eyes
The chemical, physical kryptonite	I think I see the future
Helpless to the bass and the fading lights	I realize this is my last chance
Oh, we were bound to get together	She took my arm
Bound to get together	I don't know how it happened
She took my heart	We took the floor and she said
I don't (1) how it happened	Oh, don't you dare look back
We took the (2) and she said	Just keep your eyes on me
Oh, don't you (3) look back	I said "You're holding back"
Just keep your eyes on me	She said "Shut up and dance with me"
I said "You're holding back"	This (8) is my destiny
She said "Shut up and dance with me"	She said "Oh, shut up and dance"
This woman is my destiny	Oh, don't you dare look back
She said "Oh, shut up and (4) with me"	Just keep your eyes on me
A backless dress and some beat-up sneaks	I said "You're (9) back"
My discothèque, Juliet, teenage dream	She said "Shut up and dance with me"
I felt it in my chest as she looked at me	This woman is my destiny
I (5) we were bound to be together	She said "Oh, shut up and dance with me"
Bound to be together	"Oh, shut up and dance with me"
She took my heart	"Oh, shut up and dance with me"
I don't know how it happened	
We took the (6) and she said	
Oh, don't vou dare look back
