Not Letting Go Ft. Jess Glynne by Tinie Tempah

Ready for the summer, girl, your hair look killer	She 22, we in the Le (5) Bleu
See your batty getting bigger but your waist looks slimmer	I'll miss you three, you know she cool me
And I hope I'm still with you when your hair gets thinner	Then I make you take it off and pull it all on me
I ain't gotta (1) it out, I know I'm on to a winner	Playing in the sheets, don't sleep tonight
And I love it when I see you (2) a song in the mirro	or Playing R. Kelly, I Believe I Can Fly, yeah
When you play your favourite records	She like the hook but she don't know the verse
Where there ain't no filler	She know I lover her even if I never say the words
Chicki-cha-chicki-chicki, Sade, J Dilla	You are something I can't replace
Now I'm on the right track from a train to a limo	You make my heart work
Now I'm on the right track	You make me stronger
Used to know me back in college now I got it like that	I'm not letting go, I'm not letting go
Could've gotten sidetracked, now I'm back on my feet	You are something I can't replace
If I hadn't achieved, would you pack up and leave?	You make my heart work
Now you're scratching on me like we're Adam and Eve	You make me stronger
Playing remix to Ignition in the back of the Jeep, ah	I'm not letting go, I'm not letting go
She like the hook but she don't know the verse	I'm not letting go, I'm not letting go
She know I lover her even if I never say the words	I'm not (6) go, I'm not letting go
You are something I can't replace	Oi my size, I see you're quite shy
You make my heart work	Guess I'm a sucker for those nice eyes
You (3) me stronger	I ain't in it for the money or the fame
I'm not letting go, I'm not letting go	I'm the one that all the honeys couldn't tame, yo I changed
You are something I can't replace	(You make my heart work)
You make my heart work	(You make me stronger)
You (4) me stronger	You know I changed
I'm not letting go, I'm not letting go	(This thing we (7) it can't be bought)
I'm not letting go, I'm not letting go	You are something I can't replace
I'm not letting go, I'm not letting go	You make my (8) work
Living in a bubble, we ain't struggling life	You make me stronger
Ready for your trouble and a couple advice	I'm not (9) go, I'm not letting go
Why don't you stay over here and keep me up in the night	You are something I can't replace
And when you're coming in here, I'll do it just like you like	You make my heart work
Girl I'm ready for your loving, girl I keep on falling	You (10) me stronger
You my lucky number that I keep on calling	I'm not letting go, I'm not letting go
Wanna never let me go, she said she fed up of trying	I'm not letting go, I'm not letting go
Cause I kiss her in the night and I leave in the morning	I'm not letting go. I'm not letting go
