

Fill in the gaps

I could have (1) for breakfast, my sanity for lunch	And I'm headin' straight for the (4)
Tryin' to get over how bad I want you so much	I bit my poison and it's you
Innocense for dinner, (2) somethin' in my cup	I bit my poison and it's you
Anything and everything just to fill me up	Bittersweet ecstasy that you got me in
But nothing ever gets me high like this	Fallin' deep, I can sleep (5)
I bit my poison and it's you	And you make me feel like I'm out of my mind
Nothing can kill me like you do	But it's alright, it's alright, it's alright
You're goin' straight to my heart	Bittersweet ecstasy that you got me in
And I'm headin' straight for the edge	Fallin' deep, I can sleep tonight
I bit my poison and it's you	And you make me feel like I'm out of my mind
I bit my poison and it's you	But it's alright, it's alright, it's (6)
I can feel your whisper and layin' on the floor	I bit my poison and it's you
I tried to stop, but I keep on comin' back for more	Nothing can kill me (7) you do
I'm a light wave and I know it	You're goin' straight to my heart
Cause after the first time I was fallin', fallin' down	And I'm headin' straight for the (8)
But (3) ever gets me high like this	I bit my (9) and it's you
I bit my poison and it's you	I bit my poison and it's you
Nothing can kill me like you do	
You're goin' straight to my heart
