

Fill in the gaps

From (1) home and talking loads	And I'll be me	
To seeing shows in (2)	Everything that's broke	
(3) you	Leave it to the breeze	
From nervous touch and getting drunk	Why don't you be you	
To staying up and (5) up with you	And I'll be me	
But now we're sleeping at the edge	And I'll be me	
Holding something we don't need	Trying to fit (19) hand (20)	of mine
All this (6) in our heads	When we know it just don't belong	
Is (7) bring us to our knees	There's no force on earth	
So (8) on let it go	Could (21) me feel right, no	
Just let it be	Whoa	
Why don't you be you	Trying to push this problem up the hill	
And I'll be me	When it's just too heavy to hold	
Everything that's broke	Think now's the time to let it slide	
Leave it to the breeze	So (22) on let it go	
Why don't you be you	Just let it be	
And I'll be me	Why don't you be you	
And I'll be me	And I'll be me	
From (9) clothes (10)	Everything that's broke	
the floor	Leave it to the breeze	
To teeth and claws and slamming doors at you	Let the ashes fall	
If (11) is all we're (12) for	Forget (23) me	
Why are we doing it, doing it, (13) it anymore	Come on let it go	
I used to (14) myself	Just let it be	
It's (15) how reflections change	Why don't you be you	
When we're becoming something else	And I'll be me	
I (16) it's (17) to walk away	And I'll be me	
So (18) on let it go		
Just let it be		
Why don't you be you
