Us Against The World by Coldplay

There is no one else that I can say (1) to	If you have a problem I'll be here for you
And there is nothing (2) than talk to you	Cause girl you always know that it's us against the world
If you have a problem, I'll be here for you	Whenever you're (13) there is no fear
Cause girl you always know that it's us against the world	It (14) like there's (15) that
I met someone the other night,	can't do
Someone I really started to like	You make me feel (16) cause it's
How will I know if he's right for me?	(17) with you that I belong
I wonder if we are meant to be	There is no one else that I can say (18) to
Don't start to like him too much too soon	(oooohhh yeah)
There is no one (3) that I can say this to	And there is nothing better than talk to you (there's nothing
And (4) is nothing better than talk to you	better)
If you (5) a problem I'll be (6) for you	If you have a problem I'll be here for you (for you ohohoh)
Cause girl you always know that it's us against the world	Cause girl you (19) know that
You know that boy I started to see	There ain't nobody else but you
He think's he can help it all for free	that makes me feel the way that I do
I wonder if he still the one for me?	There ain't nobody else but you (uuu)
I try talk to myself in to see	It's us against the world
Don't (7) to like him too (8) too soon	There is no one else that I can say (20) to
There is no one (9) that I can say this to	And there is (21) (22) than
And (10) is (11) better than	talk to you
talk to you	If you have a problem I'll be here for you
If you have a problem I'll be here for you	(if you have a problem tell me)
Cause girl you always know (12) it's us against the	Cause girl you always know (23) it's us against the
world	world
No one else that I can say this to	(Now you know I'll be there)
And there is nothing better than talk to you	There is no one else that I can say this to
	And there is nothing better than talk to you
	If you have a problem I'll be here for you
	Cause (24) you always know that it's us agains
