

Fill in the gaps

Us Against The World by Coldplay

There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem, I'll be here for you
Cause girl you always know that it's us against the world
I met someone the other night,
Someone I really started to like
How will I know if he's (1)_____ for me?
I wonder if we are meant to be
Don't start to like him too much too soon
There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem I'll be here for you
Cause girl you always know that it's us against the world
You (2)_____ that boy I started to see
He thinks he can (3)_____ it all for free
I (4)_____ if he still the one for me?
I try talk to myself in to see
Don't start to like him too much too soon
There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem I'll be (5)_____ for you
Cause girl you always know that it's us against the world
No one else that I can say this to
And there is nothing (6)_____ than talk to you

If you have a problem I'll be here for you
Cause girl you always know that it's us against the world
Whenever you're near there is no fear
It feels like there's nothing that I can't do
You make me feel strong cause it's here with you that I belong
There is no one else that I can say this to (oooohhh yeah)
And there is (7)_____ better than talk to you
(there's nothing better)
If you have a problem I'll be here for you (for you ohohoh)
Cause girl you always know that...
There ain't nobody else but you
that makes me feel the way that I do
There ain't nobody else but you (uuu)
It's us against the world
There is no one else that I can say this to
And there is nothing better than talk to you
If you have a (8)_____ I'll be here for you
(if you have a problem (9)_____ me)
Cause girl you always know that it's us against the world
(Now you know I'll be there)
There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem I'll be here for you
Cause girl you always know that it's us against the world

Answer

1. right
2. know
3. help
