

## Fill in the gaps

There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem, I'll be here for you
Cause girl you always know that it's us against the world
I met (1) the other night,
Someone I (2) started to like
How will I know if he's right for me?
I wonder if we are meant to be
Don't start to like him too much too soon
There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem I'll be here for you
Cause girl you always know that it's us against the world
You know that boy I started to see
He think's he can help it all for free
I wonder if he (3) the one for me?
I try talk to myself in to see
Don't start to like him too much too soon
There is no one else (4) I can say this to
And there is nothing better (5) talk to you
If you have a problem I'll be here for you
Cause girl you always know that it's us against the world
No one else that I can say this to
And there is nothing better than talk to you

If you have a problem I'll be here for you
Cause (6) you always know that it's us against the
world
Whenever you're near there is no fear
It feels like there's (7) that I can't do
You make me feel strong cause it's here with you that I belong
There is no one else that I can say this to (oooohhh yeah)
And there is nothing better than talk to you (there's nothing
better)
If you have a problem I'll be here for you (for you ohohoh)
Cause girl you always know that
There ain't nobody else but you
that makes me feel the way that I do
There ain't nobody else but you (uuu)
It's us (8) the world
There is no one else that I can say this to
And there is nothing better than talk to you
If you have a problem I'll be here for you
(if you have a problem tell me)
Cause girl you always (9) that it's us against the
world
(Now you know I'll be there)
There is no one else that I can say this to
And there is (10) better than talk to you
If you have a problem I'll be here for you
Cause girl you always know that it's us against the world
