

## Fill in the gaps

I remember us alone		I was trying to hide	
Waiting for the light to go		I'll forget what I've done	
Don't you feel that hunger?		I'll be redefined	
I've got so (1) secrets to show		It's shaking the sky	
When I saw you on that stage		And I'm following lightning	
I shiver with the look you gave		I'll recover if you keep me alive	
Don't you hear that rhythm?		Don't leave me behind	
Can you (2) me how we can escape?		Can you see me? I'm shining	
I was biding my time		And it's you (6) I've been waiting to find	
I was trying to hide		I want to be the one you steal	
I'll forget what I've done		I want to be the one you shield	
I will be redefined		I (7) to be the one that your love	
It's shaking the sky		That your love can heal	
And I'm following lightning		I want to be the one you steal	
I'll recover if you keep me alive		I want to be the one you shield	
Don't leave me behind		I want to be the one that your love	
Can you see me? I'm shining		That your love	
And it's you that I've been (3) to find		It's shaking the sky	
I'm holding it all tonight		And I'm following lightning	
I'm folding it all tonight		I'll recover if you keep me alive	
You know that you make it shine		Don't (8)	me behind
It's you that I've been waiting to find		Can you see me? I'm shining	
(bis)		And it's you that I've been waiting to find	
Now that we can hear that sound		I'm holding it all tonight	
I (4) that you can hold me down		I'm folding it all tonight	
You can't pull me under		You know (9)	you make it shine
You can raise (5)	to the ground	It's you that I've be	en waiting to find
Everything I can arrange		(bis)	
And every part of me you change		It's you (10)	I've been waiting to find
Just hold me together		(bis)	
Tell me you'll always want me to stay			
I was biding my time
