

#### Fill in the gaps

### House Every Weekend by David Zowie

When it comes to house every weekend	House every weekend
When it comes to house every weekend	I just might get through
House (1) weekend, house every weekend	I love you, there's no (4) to fake it
I love you, there's no need to fake it	But staying at the house every weekend, I just can't take it
But staying at the house every weekend, I just can't take it	How ever
How ever	And if I don't let myself go, let myself go, let myself go
And if I don't let myself go, let myself go, let myself go	I just might get through
I just might get through	And if I don't let myself go, let (5) go, let
And if I don't let myself go, let myself go, let myself go	myself go
I just (2) get through	I (6) might get through
When it comes to (3) every weekend	When it comes to (7) every weekend
House every weekend, house every weekend	House (8) weekend, house every weekend
How ever	How ever
House every weekend, house every weekend, house every	House every weekend, house every weekend, house every
weekend	weekend
And if I don't let myself go, let myself go, let myself go	And if I don't let (9) go, let myself go, let
I just might get through	myself go
House every weekend	I just might get through
I just might get through
