

Fill in the gaps

No no no no,	It's not the end
No no no no	(I gotta (6) it (7) before the pain
Listen little child, there will come a day	turns into fear)
When you will be able, able to say	So glad we made it
Never mind the pain or the aggravation	Time will never change it, no no no
You know there's a better way for you and me to be	No no no no (You know it's time to say goodbye)
Look for the rainbow in every storm	The times when we would play about
Fly like an angel heaven sent to me	The way we (8) to scream and shout
Goodbye my friend	We never dreamt you'd go your own sweet way
(I know you're gone, you (1) you're gone, but I can	Look for the rainbow in every storm
still feel you here)	Find out for certain love's gonna be there for you
It's not the end	You'll always be someone's baby
(I gotta keep it strong before the pain turns into fear)	Goodbye my friend
So glad we made it	(I know you're gone, you said you're gone, but I can still
Time will never (2) it, no no no	(9) you here)
No no no no	It's not the end
Just a (3) girl, big imagination	(I gotta keep it strong before the pain turns into fear)
Never letting no one take it away	So (10) we made it
Went into the world, (4) a revelation	Time will never, never ever change it
She found there's a better way for you and me to be	No no no no (You know it's time to say goodbye)
Look for the rainbow in every storm	No no no (And don't forget you can rely)
Find out for certain, love's gonna be there for you	No no no no (You know it's time to say goodbye, and don't
You'll always be someone's baby	forget on me you can rely)
Goodbye my friend	No no no no (I will help, help you on your way, I will be with
(I know you're gone, you (5) you're gone, but I can	you every day)
still feel you here)	No no no no (I will be with you every day)
