We Are by Ana Johnsson

Fill in the gaps

See the devil on the doorstep now
My oh my
Tellin' evr'ybody (1) just how to live
(2) lives
Sliding down the information highway
Buyin' in (3) like a (4) of fools
Time is tickin' and we can't go back
My oh my
What (5) the world today?
What about the (6) that we (7)
home?
We've (8) been so many
And we've never been
So alone
Keep watchin' from your picket fence
Keep talkin' but it makes no sense
You say we're not (9)
We are
We are
You (10) your hands
Come out clean
And finally recognise the enemies within
You say we're not responsible
We are
We are
One (11) (12) makin' two
steps back
My oh my
Ridin' (13) on the bad boy's back
For life
Lining up for the grand illusion
No (14) for no questions asked
Lining up for the execution
Without knowing why
Keep watchin' from (15) picket fence
Keep talkin' but it makes no sense
You say we're not (16)
We are
We are
You (17) your hands
Come out clean
And finally recognise the enemies within
You say we're not responsible
We are
We are
You (18) about power
'bout (19) control

Fill in the gaps
