

'bout taking control Breaking the will

## Fill in the gaps

See the devil on the doorstep now		And away from the soul	
My oh my		They suck us dry 'till there's nothing left	
Tellin' evr'ybody home just how to (1)		My oh my	
(2) lives		My oh my	
Sliding down the information highway		What about the world today?	
Buyin' in just like a bunch of fools		What about the (12) that we call home?	
Time is tickin' and we can't go back		We've never been so many	
My oh my		And we've never been	
What about the world today?		So alone	
What about the place that we (3) home?		So alone	
We've never (4) so many		Keep watchin' (13) your (14) fe	ence
And we've (5) been		Keep talkin' but it makes no sense	
So alone		You say we're not responsible	
Keep watchin' from your picket fence		We are	
Keep talkin' but it (6) no sense		We are	
You say we're not responsible		You wash your hands	
We are		Come out clean	
We are		And finally recognise the enemies within	
You wash your hands		You say we're not responsible	
Come out clean		We are	
And (7) (8) t	the	We are	
enemies within		We are	
You say we're not responsible		Keep watchin' from your (15) fence	
We are		Keep talkin' but it makes no sense	
We are		You say we're not responsible	
One step forwards makin' two steps back		We are	
My oh my		We are	
Ridin' piggy on the bad boy's back		You wash your hands	
For life		Come out clean	
Lining up for the (9) illusion		And finally recognise the (16) within	
No answers for no questions asked		You say we're not responsible	
Lining up for the execution		We are	
Without knowing why		We are	
Keep watchin' from your (10) fence		(you (17) about power	
Keep talkin' but it makes no sense		'bout taking control	
You say we're not responsible		Breaking the will	
We are		And away from the soul	
We are		They suck us dry 'till there's (18) left	
You wash your hands		My oh my)	
Come out clean		We are (we are)	
And finally (11) the enemies within		We are (we are)	
You say we're not responsible		(it's all about power	
We are		'bout taking control)	
We are			
You talk about power
