Fill in the gaps

See the devil on the doorstep now		And away from the soul
My oh my		They suck us dry 'till there's nothing left
Tellin' evr'ybody home just how to live (1) lives		My oh my
Sliding down the information highway		My oh my
Buyin' in just like a bunch of fools		What about the world today?
Time is tickin' and we can't go back		What about the place that we call home?
My oh my		We've never been so many
What about the world today?		And we've never been
What about the place that we (2) home?		So alone
We've never been so many		So alone
And we've never been		Keep watchin' (7) your picket fence
So alone		Keep talkin' but it (8) no sense
Keep watchin' from your picket fence		You say we're not responsible
Keep talkin' but it makes no sense		We are
You say we're not responsible		We are
We are		You wash your hands
We are		Come out clean
You wash your hands		And finally recognise the enemies within
Come out clean		You say we're not responsible
And (3) recognise the enemies within		We are
You say we're not responsible		We are
We are		We are
We are		Keep watchin' from your picket fence
One step (4) makin' two steps back		Keep talkin' but it makes no sense
My oh my		You say we're not responsible
Ridin' piggy on the bad boy's back		We are
For life		We are
Lining up for the grand illusion		You (9) your hands
No answers for no questions asked		Come out clean
Lining up for the execution		And finally recognise the enemies within
Without knowing why		You say we're not responsible
Keep watchin' from your picket fence		We are
Keep talkin' but it makes no sense		We are
You say we're not (5)		(you talk about power
We are		bout taking control
We are You wash your hands Come out clean		Breaking the will
		And away from the soul
		They (10) us dry 'till there's nothing left
And finally (6) the	enemies within	My oh my)
You say we're not responsible		We are (we are)
