## Dont Be So Hard On Yourself by Jess Glynne

\_\_ knew where I belonged

| came here with a broken heart (1) no one else           | But I was right and you were wrong           |
|---|--|
| could see   | Been (17) (18) all along                     |
| drew a smile on my face to (2) over me                  | Don't be so hard on yourself, no             |
| The wounds (3) and tears dry and cracks they            | Learn to forgive, learn to let go            |
| don't show  | Everyone trips, everyone falls               |
| So don't be so hard on yourself, no                     | So don't be so (19) on yourself, no          |
| _et's go (4) to simplicity                              | Because I'm (20) tired of (21)               |
| feel like I've (5) missing me                           | on my own                                    |
| Was not who I'm supposed to be                          | Kind of frail, I feel it in my bones         |
| felt this darkness (6) me                               | Oh let my heart, my heart turn into stone    |
| Ne all get (7) eventually                               | So don't be so hard on yourself, no          |
| never knew where I belonged                             | Oh, Oh, Oh, I                                |
| But I was right and you were wrong                      | I learned to wave goodbye                    |
| Been telling (8) all along                              | How not to see my life                       |
| Don't be so (9) on yourself, no                         | Through someone else's eyes                  |
| _earn to forgive, learn to let go                       | It's not an easy road                        |
| Everyone trips, everyone falls                          | But now I'm not alone                        |
| So don't be so hard on yourself, no                     | So I, I won't be so hard on (22) no more     |
| Because I'm just tired of (10) on my own                | Don't be so hard on yourself, no             |
| Kind of frail, I feel it in my bones                    | Learn to forgive, learn to let go            |
| Oh let my heart, my heart (11) (12)                     | Everyone trips, everyone falls               |
| stone   | So don't be so hard on yourself, no          |
| So don't be so hard on yourself, no                     | Because I'm just tired of marching on my own |
| 'm standin' on top of the world, right where I wanna be | Kind of frail, I feel it in my bones         |
| So how can this (13) cloud keep raining over me         | Oh let my heart, my heart (23) into stone    |
| But hearts break and hells a place that everyone knows  | So don't be so hard on yourself, no          |
| So don't be so (14) on yourself, no                     | Because I'm just (24) of marching on my own  |
| _et's go back to simplicity                             | Kind of frail, I feel it in my bones         |
| (15) like I've been missing me                          | Oh let my heart, my heart (25) into stone    |
| Was not who I'm supposed to be                          | So don't be so (26) on yourself, no          |
| felt this darkness over me                              |  |
| We all get there eventually                             |  |
