

Immortals by Fall Out Boy

They say we are what we are
But we don't have to be
I'm bad behaviour, but I do it in the best way
I'll be the watcher of the eternal (1)_____
I'll be the guard dog of all your fever dreams
I am the sand, bottom half of the hourglass
(Glass, glass)
I'll try to picture me without you but I can't
'Cause we could be immortals, (2)_____
Just not for long, for long
And live with me forever now
We'll pull the blackout curtains down
Just not for long, for long

We could be immortals, immortals
Immortals, immortals
Immortals, immortals

Sometimes the only (3)_____ for having any faith
Is when (4)_____ tested again and again everyday
I'm still comparing your (5)_____ to my future
It might be your wound, but they're my sutures
