Two Story Town by Bon Jovi

Fill in the gaps

I couldn't sleep	It's the same old ship (7) down
Took a walk down Second Avenue	I'm going down, down, down, down
Sick of dreaming dreams that never come true	It's a two story town
One way street and I know where its leading to	One shot to make a move now
There's a ;For Sale; (1) on the front door of the city	The ghosts are calling me out
hall	Guitar solo
The subway line got graffiti crawling off the wall	And me I'm just one story
I could take a hit but I don't want to (2) the fall	In a two story town
That's just one side of the story	But you're never going to find me in the lost and found
In this two story town	Chorus:
Chorus:	It's just the same old sights
It's just the same old sights	And the same old sounds
And the same old sounds	I gonna take my car and drive out of (8) two story
I gonna take my car and (3) out of this story	town
down	It's the same old ship going down
It's the same old ship going down	I'm going down, down, down, down
I'm going down, down, down, down	It's a two story town
It's a two (4) town	Chorus 2:
There's a girl that I sleep with	It's just the same old sights and the same old sounds
She's got ecstasy eyes	I gonna take my (9) and ride him off this
He (5) her roses and American pie	merry-go-round
I called her and my demons	I won't give in and I won't back down
And I (6) them both goodbye	I'm going down, down, down down
Seven days of Monday morning	I'm never going down, down, down, down
In a two story town	I ain't going down, down, down, down
Chorus:	It's a two-story town
It's just the same old sights	It's a two-story (10) (wacth me now)
And the same old sounds	
I gonna take my car and drive out of this two story town
