

town

Fill in the gaps

I couldn't sleep	It's the same old ship going down
Took a walk down (1) Avenue	I'm going down, down, down, down
Sick of (2) dreams that (3)	It's a two story town
(4) true	One shot to make a (21) now
One way street and I (5) where its leading to	The ghosts are calling me out
There's a ;For Sale; sign on the front door of the city hall	Guitar solo
The subway line got graffiti crawling off the wall	And me I'm just one story
I could take a hit but I don't want to (6) the fall	In a two story town
That's just one side of the story	But you're never (22) to find me in the lost and
In this two story town	found
Chorus:	Chorus:
It's (7) the (8) old sights	It's just the same old sights
And the same old sounds	And the same old sounds
I gonna take my car and drive out of (9) story down	I gonna take my car and drive out of this two story town
It's the same old ship going down	It's the same old (23) going down
I'm going down, down ,down, down	I'm going down, down, down, down
It's a two (10) town	It's a two story town
There's a girl (11) I sleep with	Chorus 2:
She's got ecstasy eyes	It's just the same old sights and the same old sounds
He (12) her (13) and	I (24) take my horse and (25) him off
(14) pie	(26) merry-go-round
I (15) her and my demons	I won't give in and I won't back down
And I kissed them both goodbye	I'm going down, down, down down
Seven (16) of (17) morning	I'm never going down, down, down, down
In a two story town	I ain't going down, down, down, down
Chorus:	It's a two-story town
It's (18) the same old sights	It's a two-story town (wacth me now)
And the (19) old sounds	
I gonna take my car and drive out of this two (20)
