I couldn't sleep	It's the same old ship going down
Took a walk down Second Avenue	I'm going down, down, down, down
Sick of dreaming dreams that never come true	It's a two story town
One way street and I know where its leading to	One shot to make a move now
There's a ;For Sale; sign on the front (1) of the	The ghosts are calling me out
(2) hall	Guitar solo
The subway line got graffiti crawling off the wall	And me I'm just one story
I could take a hit but I don't (3) to take the fall	In a two story town
That's just one side of the story	But you're never going to find me in the lost and found
In this two story town	Chorus:
Chorus:	It's just the same old sights
It's (4) the same old sights	And the same old sounds
And the same old sounds	I gonna take my car and drive out of this two story town
I gonna take my car and drive out of this story down	It's the same old ship going down
It's the same old ship going down	I'm going down, down, down, down
I'm going down, down ,down, down	It's a two story town
It's a two story town	Chorus 2:
There's a girl that I sleep with	It's (8) the same old sights and the same old
She's got ecstasy eyes	sounds
He promised her roses and American pie	I gonna (9) my horse and ride him off this
I called her and my demons	merry-go-round
And I kissed (5) both goodbye	I won't (10) in and I won't back down
Seven days of Monday morning	I'm going down, down, down down
In a two (6) town	I'm never going down, down, down, down
Chorus:	I ain't going down, down, down, down
It's just the same old sights	It's a two-story town
And the same old sounds	It's a two-story town (wacth me now)
I gonna take my car and drive out of this two (7)
