

Fill in the gaps

We have the chance to turn the pages over	We're not gonna sit in silence
We can (1) what we wanna write	We're not (7) live with fear
We gotta make ends meet before we get (2) older	You're the voice, try and (8) it
We're al someone's daughter	Make a noise and make it clear
We're all someone's son	We're not gonna sit in silence
How long can we look at each other	We're not gonna live with fear
Down the barrel of a gun?	We're all someone's daughter
You're the voice, try and (3) it	We're all someone's son
Make a noise and make it clear	How long can we look at each other
We're not gonna sit in silence	Down the barrel of a gun?
We're not gonna (4) with fear	You're the voice, try and understand it
This time, you know (5) we all can stand together	Make a noise and make it clear
With the power to be powerful	We're not gonna sit in silence
Believing, we can (6) it better	We're not gonna (9) with fear
We're all someone's daughter	You're the voice, try and understand it
We're all someone's son	Make a noise and make it clear
How long can we look at each other	We're not gonna sit in silence
Down the barrel of a gun?	We're not (10) live with fear
You're the voice, try and understand it
