

## Fill in the gaps

## Fairytale Of New York by The Pogues

It was christmas eve babe	then danced through the night
in the drunk tank	The (13) of the (14) choir
an old man (1) to me, won't see another one	were singing "galway bay"
and then he sang a song	and the bells (15) ringing out
the (2) old mountain dew	for (16) day
I turned my face away	You're a bum
and dreamed about you	you're a punk
Got on a lucky one	you're an old slut on junk
came in (3) to one	lying (17) almost (18) on a drip in
I've got a feeling	that bed
this year's for me and you	you scumbag, you maggot
so (4) christmas	you cheap lousy faggot
I love you baby	happy (19) your arse
I can see a (5) time	I pray god it's our last
when all our (6) true	the boys of the nypd choir
They've got cars big as bars	still singing "galway bay"
they've got rivers of gold	and the bells were ringing out
but the (8) goes (9)	for christmas day
(10) you	I could have been someone
it's no place for the old	well so could anyone
when you first took my hand	you took my dreams from me
on a cold christmas eve	when I first (20) you
you promised me	I kept (21) me babe
broadway was waiting for me	I put them (23) my own
You were handsome	can't (24) it all alone
you were pretty	I've (25) my (26) around you
queen of new york city	The boys of the nypd choir
when the (11) finished playing	still singing "galway bay"
they howled out for more	and the bells are (27) out
sinatra was swinging,	for christmas day
all the (12) they were singing	
we kissed on a corner
