

The hourglass on the table

## Fill in the gaps

Have you (1) fed a lover with just your hands?	The walk (7) the run
Close your eyes and trust it, just trust it	The breath before the kiss
Have you ever thrown a fist (2) of glitter in the air?	And the fear before the flames
Have you ever looked fear in the face	Have you ever felt this way?
And said I just don't care?	La la la la la la la
And it's only half (3) the point of no return	There you are, sitting in the garden
The tip of the iceberg	Clutching my coffee,
The sun before the burn	Calling me sugar
The thunder before the lightning	You (8) me sugar
Breath (4) the phrase	Have you ever wished for an endless night?
Have you ever felt (5) way?	Lassoed the moon and the stars and pulled (9)
Have you ever hated yourself for staring at the phone?	rope tight
You're (6) life waiting on the ring to prove you're	Have you ever held your breath and asked yourself
not alone	Will it ever get better (10) tonight?
Have you ever been touched so gently you had to cry?	Tonight
Have you ever invited a stranger to come inside?	
It's only half past the point of oblivion
