

## Fill in the gaps

Have you ever red a lover with just your hands?	The walk (8) the run
Close your eyes and trust it, (1) it	The breath before the kiss
Have you ever thrown a fist full of glitter in the air?	And the fear before the flames
Have you ever (3) fear in the face	Have you ever felt this way?
And said I just don't care?	La la la la la la la
And it's only half past the point of no return	There you are, sitting in the garden
The tip of the iceberg	Clutching my coffee,
The sun (4) the burn	Calling me sugar
The thunder before the lightning	You (9) me sugar
Breath before the phrase	Have you ever wished for an endless night?
Have you ever felt this way?	Lassoed the (10) and the stars and pulled that
Have you ever hated yourself for staring at the phone?	rope tight
You're whole life waiting on the ring to prove you're not alone	Have you ever held your breath and asked yourself
Have you ever (5) touched so gently you had to	Will it ever get better than tonight?
cry?	Tonight
Have you (6) invited a stranger to come inside?	
It's (7) half past the point of oblivion
