

## Fill in the gaps

Didn't know what time it was,	Don't (15) your poppa or he'll get us
the lights (1) low	(16) up
I leaned back on my radio	in fright
Some cat was layin' down	There's a starman waiting in the sky
some rock 'n' roll 'lotta soul, he said	He'd like to come and meet us
Then the loud sound did seem to fade	But he thinks he'd blow our minds
Came back like a (2) (3) on a wave	There's a (17) waiting in the sky
of phase	He's (18) us not to blow it
That weren't no D.J. that was hazy cosmic jive	Cause he knows it's all worthwhile
There's a starman waiting in the sky	He told me:
He'd like to come and (4) us	Let the children (19) it
But he (5) he'd blow our minds	Let the (20) use it
There's a starman (6) in the sky	Let all the children boogie
He's told us not to (7) it	There's a (21) in
Cause he (8) it's all worthwhile	the sky
He (9) me:	He'd like to (23) and meet us
Let the children lose it	But he thinks he'd blow our minds
Let the (10) use it	There's a starman waiting in the sky
Let all the (11) boogie	He's told us not to blow it
I had to phone someone so I (12) on you	Cause he knows it's all worthwhile
Hey, that's far out so you heard him too!	He told me:
Switch on the TV we may pick him up on channel two	Let the children (24) it
Look out your (13) I can see his light	Let the (25) use it
If we can sparkle he may (14) tonight	Let all the children boogie
