

Fill in the gaps

I (1) that I'm running out of (2)	Running, running
I want it all, mmm, mmm	We can get 'em running, running, running
And I'm wishing they'd stop (3) turn me off	So I can get it running
I want it all, mmm, mmm	Just cause nobody's done it
And I'm walking on a wire, trying to go higher	Y'all don't (14) I can run it
Feels like I'm surrounded by clowns and liars	But look, I've been here, I've done it
Even when I give it all away	Impossible? Please
I (4) it all, mmm, mmm	Watch, I do it (15) (16)
We can get 'em running, running, running	You (17) gotta believe
We can get 'em (5) running, running	Come on, (18) on with me
Just like fire, burning out the way	
If I can light the world up for just one day	Oh, (19) you (20) do?
Watch this madness, colorful charade	(What, what?)
No one can be just like me any way	Oh, what you gonna do?
Just like magic, I'll be flying free	(What, what?)
I'mma disappear when they come for me	Oh, what you (21) do?
I kick that ceiling, (6) you gonna take?	(What, what?)
No one can be just like me any way	Oh, what you gonna do?
Just like fire, uh	Just (22) fire, burning out the way
And people like to (7) at you cause they are all	If I can light the world up for just one day
the same, mmm, mmm	Watch this madness, colorful charade
See I would rather we just go our different way than play the	No one can be just like me any way
game, mmm, mmm	Just like fire, burning out the way
And no matter the weather, we can do it better	If I can light the world up for just one day
You and me together, forever and ever	Watch this madness, colorful charade
We don't have to worry (8) a thing, not a thing	No one can be just (23) me any way
We can get 'em running, running, running	Just like magic, I'll be flying free
We can get 'em running, running, running	I'mma disappear when (24) come for me
Just like fire, burning out the way	I kick (25) ceiling, what you gonna take?
If I can light the (9) up for (10) one	No one can be just like me any way
day	Just like fire, fire
Watch this madness, colorful charade	Running, running
No one can be (11) like me any way	Just (26) fire
Just like magic, I'll be (12) free	Running, running
I'mma disappear when they (13) for me	
I kick that ceiling, what you gonna take?	
No one can be just like me any way	
Just like fire, fire
