

Just like fire, fire, fire

## Fill in the gaps

I know (1) I'm running out of time	Running, running
I (2) it all, mmm, mmm	We can get 'em running, running, running
And I'm wishing they'd stop tryna turn me off	So I can get it running
I want it all, mmm, mmm	Just cause nobody's done it
And I'm walking on a wire, trying to go higher	Y'all don't think I can run it
Feels like I'm surrounded by (3) and	But look, I've been here, I've done it
(4)	Impossible? Please
Even when I give it all away	Watch, I do it with ease
I want it all, mmm, mmm	You just gotta believe
We can get 'em running, running, running	Come on, come on with me
We can get 'em running running, running	
Just like fire, burning out the way	Oh, what you gonna do?
If I can (5) the world up for just one day	(What, what?)
Watch this madness, colorful charade	Oh, what you gonna do?
No one can be just like me any way	(What, what?)
Just like magic, I'll be flying free	Oh, what you gonna do?
I'mma disappear when they (6) for me	(What, what?)
I kick that ceiling, what you (7) take?	Oh, what you gonna do?
No one can be just like me any way	Just like fire, burning out the way
Just like fire, uh	If I can light the world up for just one day
And people like to laugh at you cause they are all the same,	Watch this madness, colorful charade
mmm, mmm	No one can be just like me any way
See I would rather we just go our different way than play the	Just like fire, burning out the way
game, mmm, mmm	If I can light the world up for just one day
And no matter the weather, we can do it better	Watch this madness, colorful (10)
You and me together, forever and ever	No one can be just like me any way
We don't have to worry about a thing, not a thing	Just like magic, I'll be flying free
We can get 'em running, running, running	I'mma disappear when they come for me
We can get 'em running, running, running	I kick that ceiling, what you gonna take?
Just like fire, burning out the way	No one can be just like me any way
If I can light the world up for just one day	Just like fire, fire
Watch this madness, colorful charade	Running, running
No one can be (8) like me any way	Just like fire
Just like magic, I'll be flying free	Running, running
I'mma disappear (9) they come for me	
I kick that ceiling, what you gonna take?
