

Fill in the gaps

Turn your (1) towards the sun	Lost my (12) and trust
Let the (2) fall behind you	You and I know (13) don't turn to rust
Don't look back, just carry on	(Oh, oh)
And the (3) will never find you	I (14) (15) that we can reign
Turn your (4) towards the sun	Like the (16) and queens of better yesterdays
Let the shadows fall behind you	(Oh, oh)
Don't look back, (5) carry on	Don't you know
And the shadows will (6) find you	l've (17) burned, l've been burned, l've been
Lost in the rock and roll	burned
Got lost in a promise of a love I never know	You've (18) me lose control
(Oh, oh)	It's not worth, it's not worth, it's not worth
Shadows chase me far from home	My soul
I remember when my (7) was filled (8)	Turn your face towards the sun
gold	Let the (19) fall behind you
(Oh, oh)	Don't look back, (20) carry on
And you know	And the shadows will never find you
I've been burned, I've (9) burned, I've been burned	Where you (21) go, (22) you
You've seen me lose control	gonna go
It's not worth, it's not worth, it's not worth	Where you (23) run to
My soul	When you get to the edge of the night?
Turn your face towards the sun	It's time you (24) the sky, ooh
Let the shadows fall behind you	Turn your face (25) the sun
Don't (10) back, just carry on	Let the (26) fall (27) you
And the shadows (11) never find you
