

Fill in the gaps

The snow glows white on the mountain tonight		No right, no wrong, no rules for me	
Not a footprint to be seen		I'm free!	
A kingdom of isolation, and it looks (1)	I'm the	Let it go, let it go	
queen		I am one with the wind and sky	
The wind is (2) like (3)	swirling	Let it go, let it go	
storm inside		You'll (8) see me cry	
Couldn't keep it in, heaven knows I've tried		Here I stand	
Don't let them in, don't let them see		And here I'll stay	
Be the good girl you always have to be		Let the (9) rage on	
Conceal, don't feel, don't let them know		My power flurries through the air into the ground	
Well now they know		My soul is spiraling in frozen (10) a	l
Let it go, let it go		around	
Can't (4) it back anymore		And one thought crystallizes like an icy blast	
Let it go, let it go		I'm never going back, the past is in the past	
Turn (5) and slam the door		Let it go, let it go	
I don't care what they're going to say		And I'll rise like the break of dawn	
Let the storm rage on		Let it go, let it go	
The cold never bothered me anyway		That perfect girl is gone	
It's (6) how some distance		Here I stand	
Makes everything seem small		In the light of day	
And the fears that once (7)	me	Let the storm rage on	
Can't get to me at all		The cold never bothered me anyway	
It's time to see what I can do			
To test the limits and break through
