

## Fill in the gaps

The snow glows white on the (1) tonight	No right, no wrong, no rules for me
Not a footprint to be seen	I'm free!
A kingdom of isolation, and it looks like I'm the queen	Let it go, let it go
The wind is howling like this swirling storm inside	I am one with the wind and sky
Couldn't keep it in, heaven knows I've tried	Let it go, let it go
Don't let them in, don't let them see	You'll never see me cry
Be the good girl you (2) to be	Here I stand
Conceal, don't feel, don't let (4) know	And here I'll stay
Well now they know	Let the storm rage on
Let it go, let it go	My power flurries through the air into the ground
Can't hold it back anymore	My soul is spiraling in frozen fractals all around
Let it go, let it go	And one thought (9) like an icy
Turn away and slam the door	blast
I don't care what they're going to say	I'm never going back, the past is in the past
Let the (5) rage on	Let it go, let it go
The cold never bothered me anyway	And I'll rise like the break of dawn
It's funny how some distance	Let it go, let it go
Makes everything seem small	That perfect girl is gone
And the (6) that (7) controlled me	Here I stand
Can't get to me at all	In the light of day
It's time to see what I can do	Let the storm rage on
To test the limits and (8) through	The cold never bothered me anyway
