## All The Things She Said by Simple Minds

Don't you look back on a big (1) world	You've fought the (6) so long, no surrender to
Crying out tomorrow	temptation
Don't you look down like the (2) say	Of all the things she said, she said
Come tell me all about it	Stars will fall out for you
Take me to the streets where the bonfires burn	Luck will surrender
Take me in your arms and I'll fade away	I'm calling out to you
When I hear you say what you got to say	Oh to be near you in the first morning light
Anywhere you go, you (3) I'll still be waiting	I'd be with you, I dream about you
All the things she said, she said	If I could leave here, I would leave here tonight
Little darling close your eyes, there'll be no compromising	I'd be with you, I'd stay with you tonight
Of all the things she said, she said	Tonight
Throw me to the street where the heartbeats beating	Anywhere you go, you know I'll still be waiting
'Beating all around me'	Of all the things she said, she said
To the peaceful revolution	When I (7) into your eyes, I see a new day rising
And the perfect wave, surround me	Oh all the things she said, she said
Tell me 'bout the (4) moving in slow motion	Through the eyes of love, and to never know what hate is
I see it (5) in the sun	Of all the (8) she said, she said
Then it's freezing in the moonlight	She said, this is our time, she said, this is our place
Never look back, never look back, never look away	This is the space my heart wants to be
If freedom comes and goes, you know I'll still be waiting	Little darling close your eyes, there'll be no compromising
All the things she said, she said	All the things she said, she (9)
