Fill in the gaps

All The Things She Said by Simple Minds

Don't you look back on a big lost world	You've fought the fight so long, no (7)
Crying out tomorrow	to temptation
Don't you look down like the heroes say	Of all the things she said, she said
Come tell me all about it	Stars will (8) out for you
Take me to the streets where the bonfires burn	Luck will surrender
Take me in your arms and I'll fade away	I'm calling out to you
When I hear you say (1) you got to say	Oh to be near you in the first morning light
Anywhere you go, you know I'll still be waiting	I'd be with you, I dream about you
All the things she said, she said	If I could leave here, I would leave here tonight
Little darling close (2) eyes, there'll be no	I'd be with you, I'd stay with you tonight
compromising	Tonight
Of all the things she said, she said	Anywhere you go, you know I'll still be waiting
Throw me to the street where the heartbeats beating	Of all the things she said, she said
'Beating all around me'	When I look into your eyes, I see a new day rising
To the peaceful revolution	Oh all the things she said, she said
And the (3) wave, surround me	Through the (9) of love, and to never know what
Tell me 'bout the (4) (5) in slow	hate is
motion	Of all the things she said, she said
I see it glitter in the sun	She said, this is our time, she said, this is our place
Then it's freezing in the moonlight	This is the space my (10) wants to be
Never look back, (6) look back, never look away	Little darling close your eyes, there'll be no compromising
If freedom comes and goes, you know I'll still be waiting	All the things she said, she said
