Rock You Like A Hurricane by Scorpions

Lust is in cages

Till storm breaks loose

With someone I choose

The night is calling

He runs the show He's licking his lips

I (3)_____ to go The wolf is hungry

Just (2)_____ to make it

Fill in the gaps

It's early morning He's ready to win The sun comes out On the hunt tonight Last night was shaking For love at first sting Here I am, rock you (4)_____ a hurricane And pretty loud My cat is purring Here I am, rock you like a hurricane And scratches my skin Here I am, (5)_____ you like a hurricane So what is wrong Here I am, rock you like a hurricane With another sin Rocked you like a hurricane... The bitch is hungry It's early morning She needs to tell The sun comes out So give her inches Last night was shaking And feed her well And pretty loud My cat is purring More (1)_____ to come New places to go _ my skin It (6)_ I've got to leave So what is wrong It's time for a show With another sin Here I am, rock you like a hurricane The night is calling Here I am, rock you like a hurricane I have to go My body is burning The (7)_ ____ is hungry It starts to shout He runs to show Desire is coming He's licking his lips It breaks out lout He's ready to win
