Angels by Robbie Williams

love

Fill in the gaps

I sit and wait	And as the feeling grows
does an angel contemplate my fate	She brings flesh to my bones
And do they know	And when love is dead
The places where we go	I'm loving angels instead
When we're grey and old	And through it all she (5) me protection
'cause I have been told	A lot of love and affection
That salvation lets (1) wings unfold	Whether I'm right or wrong
So when I'm (2) in my bed	And (6) the waterfall
Thoughts running through my head	Wherever it may (7) me
And I feel that love is dead	I know that life won't break me
I'm loving angels instead	When I come to call
And through it all she offers me protection	She won't forsake me
A lot of love and affection	I'm loving angels instead
Whether I'm right or wrong	(Instrumental)
And down the waterfall	And through it all she offers me protection
Wherever it may take me	A lot of (8) and affection
I know that life won't break me	Whether I'm right or wrong
When I come to call	And (9) the waterfall
She won't forsake me	Wherever it may take me
I'm loving angels instead	I know that life won't break me
When I'm feeling weak	When I come to call
And my pain walks down a one way street	She won't forsake me
I look above	I'm loving (10) instead
And I know I'll always be (3) (4)	_
