does an (1) m	y She brings flesh to my bones
fate	And when love is dead
And do they know	I'm loving angels instead
The places where we go	And through it all she offers me protection
When we're (3) and old	A lot of (12) and affection
'cause I have been told	Whether I'm (13) or wrong
That salvation (4) their wings unfold	And down the waterfall
So when I'm (5) in my bed	Wherever it may take me
Thoughts running through my head	I (14) that life won't break me
And I feel that love is dead	When I (15) to call
I'm (6) angels instead	She won't forsake me
And through it all she offers me protection	I'm loving angels instead
