

## Fill in the gaps

You would not believe your eyes		(Please take me away from here)
If ten (1)	fireflies	Why do I tire of counting sheep?
Lit up the world as I fell asleep		(Please take me away from here)
'Cause they fill the open air,		When I'm far too tired to fall asleep
And leave teardrops everywhere		To ten million fireflies
You'd think me rude, but I would just stand and stare		I'm weird 'cause I hate good-byes
I'd like to make myself believe		I got misty eyes as they (3) farewell (they said
That planet Earth turns slowly		farewell)
It's hard to say that I'd rather stay awake when I'm asleep		But I'll know where several are
'Cause (2)	is never as it seems	If my dreams get (4) bizarre
'Cause I get a thousand hugs		'Cause I saved a few and I keep them in a jar(jar, jar, jar)
From ten thousand lightning bugs		I'd like to make myself believe
As they try to teach me how to dance		That planet Earth turns slowly
A foxtrot above my head,		It's hard to say that I'd (5) stay awake when
A sock hop beneath my bed,		I'm asleep
A disco ball is just hanging by a thread (thread, thread)		'Cause everything is never as it (6) (when I fall
I'd like to make myself believe		asleep)
That planet Earth turns slowly		I'd (7) to (8) myself believe
It's hard to say that I'd rather stay awake when I'm asleep		That planet Earth turns slowly
'Cause everything is never as it seems (when I fall asleep)		It's hard to say that I'd rather stay awake when I'm asleep
Leave my door open just a crack		'Cause everything is never as it seems (when I fall asleep)
(Please take me away from here)		I'd like to make myself believe
'Cause I feel like such an insomniac		That planet Earth (9) slowly
		It's hard to say that I'd rather stay awake when I'm asleep
		Because my dreams are (10) at the

seams

- 1. million
- 2. everything
- 3. said
- 4. real
- 5. rather
- 6. seems
- 7. like
- 8. make
- 9. turns
- 10. bursting
