

Fill in the gaps

You would not believe your eyes		(Please take me away from here)
If ten million fireflies		Why do I tire of counting sheep?
Lit up the world as I fell asleep		(Please take me away from here)
'Cause they fill the open air,		When I'm far too tired to fall asleep
And leave teardrops everywhere		To ten million fireflies
You'd think me rude, but I would just stand and stare		I'm weird 'cause I hate good-byes
I'd like to make myself believe		I got misty eyes as they said farewell (they said farewell)
That (1)	Earth turns slowly	But I'll know where several are
It's hard to say that I'd rather stay awake when I'm asleep		If my dreams get real bizarre
'Cause everything is never as it seems		'Cause I saved a few and I keep them in a jar(jar, jar, jar)
'Cause I get a thousand hugs		I'd like to make myself believe
From ten thousand lightning bugs		That planet Earth turns slowly
As they try to teach me how to dance		It's hard to say that I'd rather stay awake when I'm asleep
A foxtrot above my head,		'Cause everything is never as it seems (when I fall asleep)
A sock hop beneath my bed,		I'd like to make myself believe
A disco ball is just hanging by a thread (thread, thread)		That planet Earth turns slowly
I'd (2) to (3) myself believe		It's (9) to say that I'd rather stay awake when I'm
That planet Earth turns slowly		asleep
It's (4)	to say that I'd rather stay awake when I'm	'Cause everything is never as it seems (when I fall asleep)
asleep		I'd like to make myself believe
'Cause everything	is (5) as it seems (when I fall	That planet Earth turns slowly
asleep)		It's hard to say that I'd rather stay awake when I'm asleep
Leave my (6) open just a crack		Because my dreams are bursting at the (10)
(Please take me a	way from here)	
'Cause I (7) (8) such an insomniac
