

## Fill in the gaps

Don't you cherish me to sleep	You (14) me with your (15)
Never keep (1) (2) clipped	(16) eyes
Hold me for the pops and clicks	You know that all the rope's untied
I was only for the father's crib	I was (17) for to die beside
Hair, old, (3) along	So it?;s storming on the lake
Your neck (4) your (5) blades	Little waves our (18) break
Always keep that message taped	There's a fire going out,
Cross your (6) you won't erase	But there's (19) nothing to the south
I was only for (7) very space	Swollen orange and light let through
Hip, under nothing	Your one piece swimmer stuck to you
Propped up by (8) other one, (9) 'way	Sold, I'm Ever
from the sun	Open ears and open eyes
Just have to keep a dialogue	Wake up to your (20) bride
Teach our bodies: (10) the cause	Who (21) in and (22) stays inside
I was only (11) to spell a loss	Oh the demons come, (23) can subside
Joy, it's all founded	
Pincher (12) the (13) inside
