

Fill in the gaps

Don't you (1)	me to sleep
Never keep your eyelids clipped	
Hold me for the pops and clicks	
I was only for the father's crib	
Hair, old, long along	
Your neck onto your shoulder blades	
Always keep that message taped	
Cross (2) breasts you won't erase	
I was only for (3) very space	
Hip, under nothing	
Propped up by your (4)	one, face 'way from the
sun	
Just have to keep a dialogue	
Teach our bodies: haunt the cause	
I was only trying to spell a loss	
Joy, it's all founded	
Pincher with the skin inside	

You pinned me with (5)	black sphere eyes
You know that all the rope's untied	
I was (6) for to die beside	
So it?;s storming on the lake	
Little (7) our bodies break	
There's a fire going out,	
But there's really nothing to the south	
Swollen orange and light let through	
Your one piece (8)	stuck to you
Sold, I'm Ever	
Open ears and open eyes	
Wake up to your starboard bride	
Who goes in and then stays inside	
Oh the demons come, they can subside
