

Fill in the gaps

If I had eyes in the back of my head	We were (7) together but lonely
I (1) have told you that	You got hungry eyes that (8) can't look forward
You looked good	Can't give them enough but we just can't start over
As I walked away	Building with bent nails we're
And if you could've (2) to trust the hand that fed	falling but holding, I don't wanna take up anymore of your time
You would've never been hungry	Time time time
But you never really be	Sometimes time doesn't heal
The more of this or less of this or is there any difference	No not all
or are we just holding onto the things we don't have anymore	Just stand still
Sometimes time doesn't heal	While we fall
No not at all	In or out of love again I doubt I'm gonna win you back
Just (3) still	When you got eyes (9) that
While we fall	It won't let me in
In or out of love again I (4) I'm gonna win you	Always looking out
back	Always lookin'
When you got (5) like that	
It won't let me in	
Always looking out	
Lot of people spend their time (6) floating
